Tapas is perfect for sharing with friends and family.

For parties of 6 or more we offer a selected tapas menu to share between the table. It gives you the chance to taste lots of different dishes and enjoy the sociable style that eating tapas is perfect for, and for us means from our kitchen we can still provide the high quality of food and speed of service we would for a smaller table.

As our menu changes every day, these are just examples of the kind of menu you will get as a party. Please, let us know if there are any dietary requirements in your group and we will prepare the menu accordingly. Due to the sharing style the dishes are served in the whole table must opt for the same menu option.

We look forward to seeing you soon!

Please note for tables larger than 6 discretionary 10% service will be added.
